Summary
LinkedIn Learning is a professional development software tool that faculty and staff can use to gain relevant skills and certifications, including business, creative and tech courses.

In addition, this provides unlimited access to their extensive subscription library, including popular software applications such as Microsoft Office, Google Apps for Education and Adobe.

We are bringing this new service to campus in Fall 2022.

Who can use this service?
Faculty & Staff Campus-Wide

How do I request this service?
You can activate your account by logging in with your Appalachian user id and password to get started with LinkedIn Learning and you can access through https://www.linkedin.com/learning.

You can link your personal account or keep your personal and App State account separate.

If you have questions about the LinkedIn Learning project contact Emory Maiden, maidenev3@appstate.edu
