Summary

Qualtrics is a Research Suite for an enterprise online survey software solution that empowers you to collect, analyze and act on relevant data. Qualtrics also has an Offline Survey Module, available for iOS and Android, which allows you to administer surveys on your mobile device without an internet connection. Responses can be collected in the field on your mobile device and then uploaded back into Qualtrics as soon as you have an internet connection. For access to Qualtrics Offline Survey Module, please contact Mark Suggs (suggsmh@appstate.edu) ASU Qualtrics Login Page: <https://appstate.az1.qualtrics.com>
