Docuware

Website

http://docuware.appstate.edu

Summary

Docuware is ASU's enterprise electronic document management system. Its use by many departments across campus has resulted in a reduced need for printing and storage of large quantities of hard copy records.

Who can use this service?

Access is limited to areas demonstrating a need to see their records electronically stored.

How do I request this service?

To have Fortis made available to your area, email: bars@appstate.edu.

Who do I contact for problems or issues?

bars@appstate.edu
