Installing the Adobe Creative Cloud Suite

The following instructions will guide you through installation of the Adobe Creative Cloud on a PC or a MAC with a University Build

PC Instructions:

1. Open the **Software Center** application found on your desktop

2. Select **Adobe Creative Cloud App** from the software offerings

   *(Note: You may need to use the search box to search for Adobe)*

3. Click **Install** and wait for the installation process to complete
4. Access the **Windows Start Menu** located in the lower left corner of your desktop screen.

![Windows Start Menu](Image)

5. Click on **Adobe Creative Cloud**

   *(Note: The program may need to update. Please allow it to complete the update process)*

6. You will be redirected to the Sign In screen. Enter your AppState email address in the **Email address** field and click on the blue "Continue" button.
7. You will be redirected to the Appalachian State Single Sign-On page. Log in with your AppState username and password.

8. You will be redirected to the DUO Mobile authentication screen. Select your method of authentication.
9. Select the **Apps Tab** then **All Apps**

10. Select the Adobe product you wish to install from the list of applications and click **Install**
9. When the installation is complete, access the **Start Menu** and locate the icon for the newly installed application.

10. Click the Icon to open the program.

**MAC Instructions:**

1. Open the **Self Service** application found on your **Dock**

   a. If Self Service Icon is not in dock, you can search for it by using **Finder**
b. Once **Finder** is open, select **Applications** from the Left Side Navigation. Locate **Self Service** in the list and open.

2. From within the **Self Service** App, select **Featured**, from the left side navigation. Select **Adobe Creative Cloud Desktop App** from the software list and click **Install** then wait until **Finished** is displayed.

(Note: You may need to use the search box to search for Adobe)

3. Access the **Applications Folder** and find the entry for **Adobe Creative Cloud**. Click on the icon
4. You will be redirected to the Sign In screen. Enter your AppState email address in the **Email address** field and click on the blue "Continue" button.

5. You will be redirected to the **Appalachian State Single Sign-On** page. Log in with your AppState username and password.
6. You will be redirected to the DUO Mobile authentication screen. Select your method of authentication.

7. Once Adobe Creative Cloud is open, select the Apps Tab, then All Apps to display the list of available software.
8. Select the Adobe product you wish to install from the list of applications, click **Install**

9. When the installation is complete, access the **Applications Folder** and find the entry for the newly installed application. Click on the icon to start the application
