

Adobe Creative Cloud

Website

N/A

Summary

Adobe Creative Cloud is a software suite for graphic design, video editing, and web development applications. The suite includes Adobe products such as Photoshop, InDesign, Illustrator, Acrobat DC Pro, Premier and several others.

Who can use this software?

Students and instructors of record can use the software if the class is designated as using Adobe Creative Cloud in the curriculum.

Faculty and staff can request a license through the [Adobe Creative Cloud Request](#) on tech.appstate.edu

For Acrobat Reader Only, install from Software Center on University PCs or Self Service on University Macs, or downloaded from [Adobe's website](#).

Who do I contact for problems or issues?

Call the Help Desk at 828-262-6266, Monday through Friday, 8 a.m. to 5 p.m., or by entering a support request at <https://tech.appstate.edu>
