

Badges: Exporting

Currently, Moodle (AsULearn) can export badges to a Badgr external backpack.

Please note, the Badgr platform and website are not managed by Appalachian State. It is an external service that undergoes changes and upgrades without notification.

Step-by-step guide

The following steps provide the path for exporting badges from AsULearn to Badgr.

1. Backpack
 - a. Create a free account on [Badgr](#)
 - b. Create a collection, make sure **public** is enabled
2. AsULearn
 - a. Select **Preferences** under the user menu
 - b. Badge preferences
 - i. Make sure **Automatically show badges I earn on my profile page** is enabled
 - c. Backpack settings
 - i. Backpack connection: Connect to Backpack account
 - ii. Badge import settings: Select the collection from your Backpack account to display on AsULearn
 - d. Manage badges
 - i. Under **My badges** on **AsULearn** web site, click the **bag icon** under the badge, then click **send** to send it to the Backpack account
 - ii. In **Backpack**, drag the badge from **My Badges** block to the **Collection** block
