

Screencast-o-matic Pro Recorder

Screencast-o-matic is a simple and intuitive **video recording and editing web-based tool**. The Pro Recorder service is now available to our campus community.

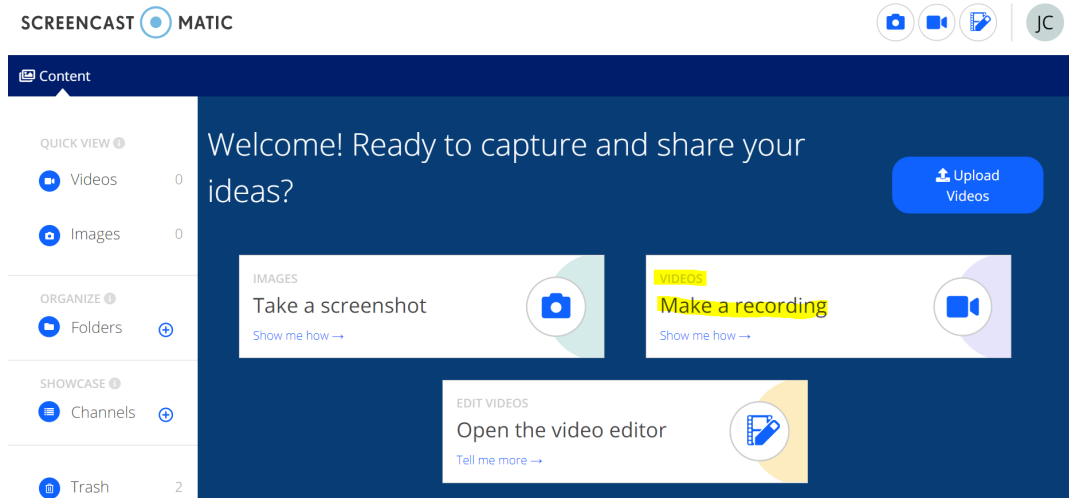

Step-by-step guide

1. Login to the service via <https://screencast-o-matic.com/appstate> using your Appalachian credentials.
2. Once you logged in there click the Make a recording area to download the app to your local computer. To install the Screencast Recorder locally to your computer, please click on the link below:

<https://screencast-o-matic.com/download>

Click the "I Have a Team Plan" option

Access URL: appstate

You can upload the recording to your Mountaineer Apps YouTube account, and share the link in AsULearn or other environments.
