Course: Adding Topics or Sections

Step-by-step guide

- 1. From the course page, enable Edit mode at the top right.
- 2. Topics may be inserted at any point in the course. Just be sure to expand the topic just above where you wish to insert the new one and click **Add topic** at the bottom. *May vary slightly depending on the selected course format.

In the example above, the **Welcome** topic is expanded, and clicking **Add topic** at the bottom would insert a new topic between **Welcome** and **Res ources**.

- 3. To add multiple topics, click Add topic multiple times.
- 4. When completed, too off Edit mode at the top right of your course page.
