Voice Thread: Comment Assignments

This page will walk you through the steps on how to create and submit a **Comment Assignment** in VoiceThread.

> ⓘ **Required Browser**
>
> Please note that you will need use either Google Chrome or Fire Fox as your browser when using VoiceThread. Make sure that your browser is updated to the latest version to ensure the best performance.

Step-by-step guide for a VT Comment Assignment

1. Sign in to your AsULearn course.
2. Click on the VoiceThread assignment link set up by your instructor. This will open a new tab in VoiceThread.
3. Read the instructions posted on the right side.
4. Click the yellow "Start Assignment" button on the right (Figure 1).

Figure 1: Screenshot of the assignment screen in VoiceThread. To begin an assignment click "**Start Assignment**" in the yellow box.

5. To start building a new VoiceThread, click on the course from which you would like to upload or import media, and wait for that media to process. Click "Continue" at the bottom of the screen to go to the commenting options.

    If you have already created the VoiceThread you want to use, scroll to the bottom of the page and click "Use an existing VoiceThread instead of creating a new one." This will take you to a page where you can see all of your VoiceThread, and you can click on one to use it. Click "Continue" at the bottom of the screen to go to the editing area in case you need to add more slides, and then click "Continue" again to go to the commenting options.

6. Once you have met the requirements for the assignment, you will see blue checkmarks next to each item in your to-do list. Click the yellow "Submit" button on the right to complete your assignment.

Completing a VoiceThread Assignment on a Mobile Device
