

ScreenPal - Screen Recorder & Video Editor

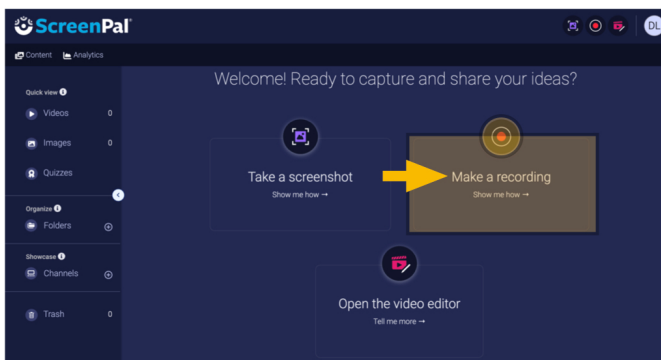

ScreenPal (formerly Screencast-o-matic) is a simple and intuitive **video recording and editing web-based tool** and is available using your Appalachian State University credentials.

Step-by-step guide

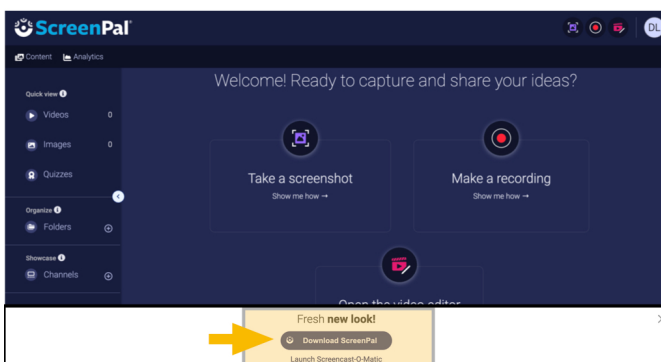

1. Login to the service by going to <https://screenpal.com>, select the **Google** option, and use your **Appalachian** userID and passcode.

2. Once you're logged in, click the **Make a recording** section.

3. Download the app to your local computer.

Window/PC will be a ScreenPalSetup.exe File

Mac iOS will be a ScreenPalSetup.dmg File

Once you have completed the setup, and become acclimated to using ScreenPal, you can upload the recording to your Mountaineer Apps YouTube account, or [Kaltura](#), and share your media in AsULearn or other environments.
