AppCard

Website

appcard.appstate.edu

Summary

Appcard Online provides the ability to check balances, make deposits, and view account activity, on AppCard accounts. The cardholder can also set up low balance warnings, deactivate his/her lost card, and reactivate it if the card is found. Information concerning available accounts and a FAQ section are available on the website.

Who can use this service?

Any AppCard holder can access the site through AppalNet.

How do I request this service?

You do not have to request the service; it's available to all cardholders.

Who do I contact for problems or issues?

Contact the AppCard office at 262-6141 or email appcardoffice@appstate.edu.
