

Docuware

Website

docuware.appstate.edu

Summary

Docuware is App State's enterprise electronic document management system. Its use by many departments across campus has reduced the need for printing and storing large quantities of hard-copy records.

Who can use this service?

Access is limited to areas demonstrating a need to see their records electronically stored.

How do I request this service?

To have Docuware made available to your area, email: control@appstate.edu.

Who do I contact for problems or issues?

control@appstate.edu
