

Goldbook

Website

[Goldbook](#)

Summary

The Goldbook is an online community for App State alumni to find and connect with fellow alumni, update their contact information, post class notes and manage their communications from App State. The Alumni Affairs office uses the Goldbook (Encompass) to send e-mail communications to alumni, parents, and friends as well as to manage online giving pages for donations to the App State Foundation. All of the Encompass products are hosted by iModules.

Who can use this service?

Access to the Goldbook is granted by the Alumni Affairs office.

How do I request this service?

Contact Chad Leder in the Office of Alumni Affairs

Who do I contact for problems or issues?
