

# Library Online Learning

## Website

[guides.library.appstate.edu/AppStateOnline](https://guides.library.appstate.edu/AppStateOnline)

## Summary

Distance learners have access to thousands of online books, articles, and other types of electronic resources, along with support from librarians who can respond to research questions. The University Libraries subscribes to numerous online databases and search tools that are available to all students, including online. Students can contact the libraries for assistance via email, chat, phone, and Zoom conference.
