

# MyMountaineer Portal (Slate)

## Website

[MyMountaineer Portal](#)

## Summary

MyMountaineer Portal is an applicant status portal available to those who have submitted an undergraduate admissions application. The status portal is the primary means for an applicant to monitor their application status, submit supplemental documents, and access information about events and scholarship opportunities. After enrollment, students transition to Appalnet.

## Who can use this service?

Undergraduate Applicants

## How do I request this service?

MyMountaineer becomes available to all undergraduate applicants after they have submitted their application.

## Who do I contact for problems or issues?
