

# Wireless Networking (Wifi)

## Website

[wireless.appstate.edu](https://wireless.appstate.edu)

## Summary

App State Wireless allows access to ASU's WIFI network to use network applications and resources without the need for a wired connection. The different options are:

- ASU Secure Wireless allows you to access network applications and resources in a secure network.
- ASU Visitor is for casual internet access only. It provides absolutely no form of encryption or privacy. It should only be used by App State visitors that do not have a valid App State login name and requires non-private network access. It must never be used to perform official App State business.

## Who can use this service?

Faculty, Staff, and Students who have an enabled AppState email account

## How do I request this service?

Service to ASU Secure is granted upon completion of a wireless profile setup and registration to the ASU Network Registration System. (NetReg)

## Who do I contact for problems or issues?

Call the Help Desk at 828-262-6266, Monday through Friday, 8 a.m. to 5 p.m., or enter a support request at [support.appstate.edu](https://support.appstate.edu).
