Acrobat Pro

Website

[Adobe Creative Cloud Articles](#)

Summary

The Acrobat Pro software package has been included in the Adobe Creative Cloud software package and is used for creating, editing, and managing Portable Document Format (PDF) files. For more information on installing Creative Cloud, please visit our [Adobe Creative Cloud support page](#).

Who can use this software?

Students and instructors of record can use the software if the class is designated as using Adobe Creative Cloud in the curriculum.

How can I request a license?

Faculty and staff can request a license through the [Adobe Creative Cloud Request](#) at [support.appstate.edu](#)

For a full list of programs included in our Creative Cloud license, please view the Creative Cloud for Enterprise [product listing](#).

For Acrobat Reader Only, install from Software Center on University PCs or Self Service on University Macs, or downloaded from the [Adobe](#) website.

Who do I contact for problems or issues?

Call the Help Desk at 828-262-6266, Monday through Friday, 8 a.m. to 5 p.m., or enter a support request at [support.appstate.edu](#).
