Summary

The Associated Press Stylebook (AP Stylebook) is a widely used style guide for writing and journalism. It is published and regularly updated by The Associated Press.

The AP Stylebook provides guidelines and standards for various aspects of writing, including grammar, punctuation, capitalization, abbreviations, spelling, and usage. It offers specific rules and recommendations for news writing, ensuring consistency and clarity in journalistic content.

Who can use this service?

The Communication Department maintains a subscription for use by students at The Appalachian.

How do I request this service?

Subscriptions are available from AP Stylebook Online.
