

# LinkedIn Learning

## Website

[linkedin.com/learning](https://linkedin.com/learning)

## Summary

LinkedIn Learning is a professional development software tool that faculty, staff, and students can use to gain relevant skills and certifications, including business, creative, and tech courses.

In addition, this provides unlimited access to their extensive subscription library, including popular software applications such as Microsoft Office, Google Workspace for Education Fundamentals, and Adobe.

## Who can use this service?

Faculty, Staff, and Students

## How do I request this service?

You can [activate your account](#) by logging in with your App State user ID and password to get started with LinkedIn Learning. and you can access through [linkedin.com/learning](#).
