

# Digital Commons Expert Gallery Suite

## Website

[works.bepress.com/experts/appalachian-state-university](https://works.bepress.com/experts/appalachian-state-university)

## Summary

Expert Gallery Suite is designed to showcase a particular speaker's expertise and enhance the reputation of the institution as a whole. It allows for groups across App State to connect their top faculty with funding and media opportunities and It is used to create and curate expert galleries and faculty portfolios which show off strategic groups on campus as well as display the full range of faculty scholarship (their cumulative knowledge, creative resources, and expertise within their respective disciplines).
