

Fieldprint

Website

fieldprint.com

Summary

Fieldprint is an approved vendor for AmeriCorps to provide FBI fingerprint-based checks to grant and sub-grant recipients that offers expedited access to the FBI's national criminal history information. Fieldprint also assists in recommendations of cleared and not cleared to recipients and provides pass or pre-adverse action notices.

Who can use this service?

The Office of Sponsored Programs, The Department of Public Health

Note: Fieldprint can only be used for Grant and Sub-Grant Recipients
