R Studio

Website

rstudio.com/products/rstudio/download

Summary

RStudio is an Integrated Development Environment (IDE) that includes a set of tools designed to help you be more productive with R and Python. It includes a console, syntax-highlighting editor that supports direct code execution, and a variety of robust tools for plotting, viewing history, debugging, and managing your workspace.

Who can use this service?

Faculty, Staff, and Students

How do I request this service?
