

# iPad App: Goosechase

## Website

[goosechase.com](https://goosechase.com)

## Summary

GooseChase is a digital tool that helps students learn through scavenger hunts. These scavenger hunts can incorporate word games, images, research, and math work and be used in team and individual modes. A number of preloaded scavenger hunt templates are available on GooseChase EDU that educators can use or tweak based on their individual needs.

## Who can use this service?

Staff and External Users affiliated with GEAR UP

## How do I purchase a license?
