

Getting Started with AsULearn 4 for Faculty

AsULearn 4

As of May 19, 2023 all of our AsULearn instances have been upgraded to the new, sleeker design of [Moodle 4](#). This version will maintain much of the previous functionality of AsULearn, now with new and improved features. The new AsULearn platform will provide a simpler, easy-to-use interface, improved features, and better security.

Some benefits of AsULearn 4 include:

- A more modern, streamlined look, without sacrificing functionality
- An improved user interface
- New intuitive tabbed navigation to reduce number of clicks
- Ongoing focus on accessibility
