

Blogger

Overview

Blogger allows users to create beautiful, custom online journals to express ideas, trade tips, or share any other personalized information.

Access

To access **Blogger**, visit blogger.com and sign in with your AppState credentials.

Help and Consultation

For assistance with **Blogger**, please view Google's [support page](#).

For tips on how to best leverage it for your class, schedule a one-on-one consultation with your college's [Instructional Technology Consultant](#).
