

# YouTube

## Overview

**YouTube** is a cloud-based video hosting and streaming application. Videos uploaded to **YouTube** are shareable publicly and streamable from almost any web-capable device.

## Access

On the web, access **YouTube** by navigating to [YouTube](#).

(Note: If you are logged into a personal **Gmail** account in the same browser, you may be redirected to the **YouTube** page for that account. See this [Help Document](#) to add a second account to your browser session.)

On a mobile device, access **YouTube** via Google's official **YouTube** app, which is available for free in the **AppStore** (iOS devices) or **Play Store** (Android devices).
