How to Join the Google Tips Group

The Center for Academic Excellence and IT Support Services have teamed up to bring useful Google tips directly to your email inbox.

Joining **Google Tips** will connect you with other campus community members who want to share handy tips and tricks for using **Google Workspace** to make life easier.

If you have burning questions, you can poll the group for assistance from one of our Google specialists or from other users who might be doing the same thing.

To join **Group-GoogleTips**, follow the link below and select **Join Group** (*Be certain to configure your subscription settings to match your preferences for email frequency*).
