

Acrobat Pro Trial Message

IF YOU SEE A TRIAL PROMPT WHEN YOU SIGN IN TO ADOBE DC ON YOUR COMPUTER.

When you install and launch Acrobat DC on a Windows computer and sign in, if you see a Try or Buy prompt, do the following:

- Exit Acrobat DC, if it is running.
- Download the [AcrobatStudentAccess.zip](#) file and extract it on your computer.
- Right-click the included EXE file and choose Run as Administrator. (Click yes or enter your computer password, if prompted)
- Start Acrobat DC. It should now launch without asking you to sign in.
