

# PaperCut Print from a Lab Computer

The following will show how to print from an App State lab computer to the PaperCut printers located across campus.

 These instructions are for all App State lab computers, including the library. For a list of PaperCut printer locations, visit ([coming soon](#)).

1. Be sure you select print to the correct print queue for your print job at a lab computer:
  - **ASU-STUDENT-PRINT-BW** for black & white printing
  - **ASU-STUDENT-PRINT-COLOR** for color printing
2. Authenticate at the Printer in one of the following ways:
  - AppCard swipe,
  - Banner ID entry or
  - App State username and password entry.
3. Once you are logged in, you will see the PaperCut main menu. Press **Print Release** (the button in the middle) to see your current print jobs:

4. The next screen will show a list of your pending print jobs. **Select** the print job(s) you want to release (a check mark will appear when a job(s) is selected. All print jobs are held for 24 hours if they are not printed.).
  - You can adjust the print options, such as quantity, for a specific job by clicking the **right arrow** next to the print job you want to change.
  - You can also select **print options** on this screen such as grayscale for black and white and 2-sided printing (at the bottom of the screen).
  - Press the **Print** button (lower right corner of the screen) to release the print job and print your document (Students will see the print job cost in the print job details header, outlined in red here)

5. Press the **logout icon** in the top right of the screen (to the right of your name) to logout or press the **home icon** in the top left of the screen to go back to the main screen.

**Important Note:**

Student Employees will have two options when printing.

- Bill your personal funds for school work or
- Bill the employing department/unit for your professional work.
